FOREWORD

Three things are to be looked to in a building: that it stands on the right spot; that it is securely founded; that it be successfully executed.

DEDICATION

We, the Class of 1965, respectfully dedicate this yearbook to **Mr. Clyde A. Merrilees.** He was a teacher, friend, and guide to all the students of San Miguel from its founding. He is truly a gentleman and a scholar.

TO THE GRADUATING CLASS OF 1965:

We extend to the graduating class of 1965 our heartiest congratulations and best wishes. May the friendships you have formed at San Miguel and the knowledge you have acquired and the moral insights you have gained be a rich source of blessing and encouragement in all the years to come.

May God bless you all.

Faithfully yours,
Francis Eric Bloy
Bishop of Los Angeles

Board of Trustees

Durwin H. Brownell, M.D.
Chairman

The Board of Trustees salutes and congratulates you men of the 1965 graduating class of San Miguel School. As you leave the sheltered harbor of high school life I hope you find and adopt a suitable plan of thought and action. Such a creed will guide you as you go forward with personal integrity, industry and devotion to proper ideals, into the challenging years which lie before you.

If you have not formulated a creed, I challenge you to consider and adopt this one so well worded by Dean Alfange. This I have adopted for my own.

"I do not choose to be a common man. It is my right to be uncommon . . . if I can. I seek opportunity . . . not security. I do not wish to be a kept citizen, humbled and dulled by having the state look after me. I want to take the calculated risk; to dream and to build, to fail and to succeed. I refuse to barter incentive for a dole. I prefer the challenges of life to the guaranteed existence; The thrill of fulfillment to the stale calm of utopia. I will not trade freedom for beneficence nor my dignity for a handout. I will never cower before any master nor bend to any threat. It is my heritage to stand erect, proud and unafraid; to think and act for myself; to enjoy the benefits of my creation and to face the world boldly and say, this I have done. All this is what it means to be an American."

Durwin H. Brownell, M.D.
Chairman, Board of Trustees

Rev. Charles A. Parmiter, Jr.
Headmaster

You have been exposed to greatness in many forms. Perhaps our best wish for you should be that you have caught a glimpse of what greatness really is and have been inspired to reach out for it.

There are certain key words that designate the guide posts of greatness. These are: Honor, Integrity, Courage, Faith. With these your life will have eternal meaning even if lived in small surroundings. Without them your life will have no meaning even if lived in the councils of the mighty.

May you have bodies strong and enduring. May you have minds sharp, retentive, and creative. But most of all may you have souls open that God may touch them and bless them for the service of His people.

The Rev. Charles A. Parmiter, Jr.

CLASS WILLS

I, Carl Conte, being in fairly good shape after a short weekend, do hereby bequeath my great ability to feel fine on weekends to Gary Horton in hopes that he will overcome his shyness, and come out of the movie theaters in San Diego. To Jock Collins I leave my fast growing hair, and the ability to be caught with it, by Father, whereever he hides. To Larry Duff, who will soon be the rowdiest guy in San Miguel, I leave my speed and agility, in order that he may never be apprehended.

I, Scott Gregory, being in joyous mood after a weekend of fun and frolic, do hereby bequeath my great ability of being high in Spirits all weekend to Vic Burrows. I leave my ability for getting into fights at Marian High to Gary Medina. I also leave my bad habit of getting kicked out once a year to Bill Call. I leave to Gary Horton my ability to bring a fine, upstanding girl to the Jr. — Sr. Prom.

I, Jeff Frelinger, possessing great athletic ability do hereby leave my exhalted position as guard to Richard Haag. To everyone who does not like this annual I leave my position on the Annual Staff. I also leave my ability to cut off Patrol Cars to Gary Horton, in hopes that he get a driver's license to lose.

I, Dennis Johnson, being of superior mind and body, do hereby bequeath all my possessions to the following: friend Gary Medina I will all my Johnson for President stickers, in hopes that he uses them; to Mike "the messenger" Gonzalez, I leave my credo, "Moderation in all Things"; to Bill Stringfellow, I leave my always present Ego, or whatever is left of it after the 1965 swimming season; To Steve Yates I leave my collection of banned and burned Arthur Miller books; finally, to Bruce Williams, I leave my ability to get through an English class knowing absolutely nothing.

I, Conner of Course, being outstanding in every field and second to none, leave nothing to no one.

I, Dave Judson, being of absolutely no value to this world, but maintaining a high sense of responsibility and moral obligation do hereby wholly without regret or hesitance bestow upon my Junior counterpart, Bill Holt, the position of Prefect.

I, Paul Pierce Pickering III, obviously being the most casual member of the Senior Class, do hereby will my unlimited supply of scratched L.P.'s to the Junior class in hopes that they will someday have a rock-out party; and to B. Holt, I leave my ability to pass out; last of all, I leave to R. Haag, T. Ward, and B. Watts, my reserved table at the Blue Fox.

I, Ronnie Lee, being of sound mind but questionable physical condition, do hereby bequeath my immeasurable ability in athletics to Tony Cunningham, which will undoubtedly develop him into another Willy Mays. To Dave (Stan-baby) Stanford, I reluctantly leave my long hair, because he can't seem to grow his own. To Bill Holt I bestow my un-

predictable temper, which will accompany his fickle moods. And to Coach Huston, I will my surfboard, knowing that after trying it, he will rather "bag the waves" than coach.

I, Willaim F. Carey III, being second to no one in the sport of swimming and drag racing, do hereby give with much remorse the longest scratch in the driveway to Bill Holt, who thinks his G. P. can beat me; to Aycock my ability to do the Indo in under four minutes; to Bill Fitzgerald I give my 383 who needs it worse than I do. To Dave Stanford I leave my ability to get answers in English and to Rust I leave my Shifting Knob.

I, Dain Paul Crumley, leave to John Macomber my good name at the Bishop's School in hopes that he might in some way cover up the harm he has done in the past To Tom Ward I will my position in Rancho Santa Fe social life in hopes that he will then have a social life. I also bequeath my ability to be apprehended in the most precarious places at the most embarrassing times to Tom Holliday To Danny Burnham I leave my great ability to catch the rays on the Senior Lawn. And finally, I leave a very simple statement to a very simple person, Dave Stanford: "Get some straight hair!!!"

I, Tom Hazard, upon leaving this hallowed place of wisdom, being of sound financial condition, will my gift with women to Richard Haag; my even disposition I leave to Coach Huston, who needs it during baseball games; my grade average I leave to Don Daley; and, my fifty-three Red Bomb to the highest bidder.

I, Charles Cole, being in perfect physical condition and brilliant mind, do hereby bequeath my ability to hide precious articles to Bill Fitzgerald and my lungs to the Commander along with my ability to pick up the best girls to David McIntyre since the need is great. Also I will to Mr. MacNamara my calm cool composure, to whom I apologize for causing so much trouble.

I, Paul Charles Hummell, Jr., being of semi-bachelordom and having achieved the ultimate in physical and mental perfection do hereby bequeath my exquisite taste for women to Steve Yates, who does not know how they work yet; to Gary Horton I leave my sense of humor with a bag of laughs. I leave my ability to resist the temptations of alcohol to any one who wants it, which is no one. And to the coaches I leave my athletic ability to spread around evenly (knowing there is an abundance for everyone). Last of all I leave my reputation at Bishop's to San Miguel School.

I, Brooks Sherwood, of quandum good health both mental and physical, do hereby resolve to take whatever I still possess with me when I go, and leave as my only legacy, these words of advice to San Miguel Students yet unborn: "A wet bird never flies at night!"

I, Chuck Meyers, leader of the dorm, commonly known as Pook and Chuckie-pooh, being brilliant and in excellent physical condition, do leave my ability to make various uncalled for noises to Steve Kellaway, and my untiring mind to anyone who needs it. Also I leave my entire estate to San Miguel for the betterment of its educationsl system.

LEAGUE CHAMPS '64

The San Miguel football team, under the coaching of the fearsome threesome, Coaches Huston, Hanson, and Clark, compiled its second straight winning season. The Knights took on the plebes of Army Navy for their first attempt. They were sadly defeated in a close 26-19 decision.

San Miguel then travelled to Ramona in an attempt to muzzle the Bulldogs. Instead they were bitten 21-7.

Our next game was the annual homecoming game against the Elsinore Tigers at the U.S.D. Stadium. Amidst the spectacle of the homecoming ceremonies, the Knights were victorious by a score of 20-6.

Once again on the trail, San Miguel failed to triumph over our Imperial Beach rivals, Marian. The Crusaders triumphed 20-0.

The Knights now returned home to begin on a five game winning streak. The first to fall were the Mariners of Mar Vista (J. V.) 32-0: Then the Saint's J.V. of Saint Augustine in a 38-6 triumph.

San Miguel then went against the unbeaten Mountain Empire team. Before a near capacity crowd the two powers met. The result: San Miguel 12, Mountain Empire 7.

The Knights were now ready to embark on their league play. Their first encounter was with the Torres of La Jolla Country Day. This resulted in a Knights victory, 20-0.

Then came our first serious league encounter. San Miguel travelled to San Diego Military for the game which would decide the League Championship. After getting off to a slow start, the Knights came back to a 34-7 victory.

Special credit should be given to two Seniors who played an important part in these victories. One was the top scorer in the league with 86 points. This was Scott Gregory. Another, Ronnie Lee, was named most valuable player in the Southern Prep League.

BASKETBALL

Kneeling: T. Holliday, R. Lee, C. Myers. *Standing:* C. Conte, D. Judson, P. Hummell, S. Gregory.

This year was a year to build in Basketball, and although we did not win too many games, we did have the high scorer in the league, Carl Conte, and placed one other on the All League team, Dave Judson.

J. V. BASKETBALL

Front Row: Tom Hazard, Dave Wallace, Ray Lodge, Tony Cunningham, Steve Kellaway, Bill Snyder.

This year the team won only one game. There is great hope for a more successful Varsity next year with the experience gained this year on the J. V.

CROSS COUNTRY

Front Row: C. Beach, R. Lodge, P. Farmar, D. Fagett, S. Hall. *Second Row:* G. Cowan, A. Moffat, B. Williams, H. Cannon, P. Steelquist. *Back Row:* M. Jackson, C. Medlin, S. Matthewson, V. Burrows, B. Fitzgerald.

Although this year the Cross Country team won no meets, they made a valiant effort and produced several outstanding runners including Bill Fitzgerald and Abbot Moffat.

WRESTLING

Steve Matthewson, Rick Shipley, Dave McIntyre, James McCormick, Mike Dale, Steve Yates, Peter Scroggie, Coach Sutherland.

This year, although the team won no meets, it tied once. There were three outstanding wrestlers this year, of CIF caliber, Rick Shipley, Steve Yates, and Mike Dale, but they were not able to participate due to illness and injury. They were helped greatly by Coach Sutherland.

SWIMMING

Back Row: Coach Irish, S. Culbertson, S. Conner, W. Carey, D. Johnson, R. Shipley. *Front Row:* A. Moffat, R. Haag, S. Hall, W. Stringfellow, T. Aycock, H. Cannon, P. Scroggie.

The 1965 swimming season holds much in store for the San Miguel Swimming team. With such outstanding C. I. F. finalists as Bill Carey and Dennis Johnson and freshman Bill Stringfellow, the team may be able to pull out of the slump in which it has been.

Competing against such notables as Coronado, Helix and Hilltop the swimming team will have an up-hill battle, but we have our hopes.

Special credit should be given to Bill Carey, who placed second in the 100 Backstroke in the 1964 C. I. F.
